Community litter picking
Guidance and advice for small organised groups

Holding a litter pick Check list reminder of what you need to do as an organiser

There are only 6 participants, or if it is a bigger event, I have contacted the right Birmingham City Council department who own the land for permission to organise the event.

There is adequate insurance in place for the activity.

	Check list reminder of what you need to do as an organiser
	Re-enforce safety messages concerning Covid-19 and in connection with the risk assessment.
	Be aware of your surroundings and of where your participants are.
During	Inform the council of any problems or issues that you may have noticed;
litter	please call us on 0121 454 7810 or use our online forms
picking	https://www.birmingham.gov.uk/info/20140/report_an_environmental_concern
	Place any rubbish in a strong waste bag or double bag your rubbish.
	If you are finding lots of discarded masks and gloves then please double bag any rubbish bags collected.
	Make sure bags are not over filled.
A 64	Make sure any bags collected are placed at the agreed location for collection. Please make sure that any bags left behind do not obstruct footpaths and are
After	not left in a position which will cause a hazard to the public.
litter	Remind participants to wash their hands when they get home.
picking	Clean down any returned equipment with an anti-bacterial spray or wipe.
	Inform the council of any problems or issues that you may have noticed;
