

This is a circular walk and you could join it at one of three starting points, each with a car park, and follow the route in a circular direction, ending back at your original start point. These are:

1. **Palace Hill**, access via Town Gate
2. **Flying Field**, access via Boldmere Gate
3. **Jamboree**, access via Streetly Gate.

With the Visitor Centre on the left, starting at Palace Hill (1), take the left hand fork. Ahead, keep on the right hand path.

See the ford and Wyndley Pool on your left and continue straight ahead
