

What does it **COSt?**

There is a small weekley charge for the careline service. Please contact Careline for details.

The charge includes all installation, maintenance and monitoring costs.

A member of Careline's fully trained staff will carry out the installation of the alarm unit into your existing telephone socket. No wiring work is required; however, the alarm unit will need to be installed into the primary telephone socket wherever possible.

Who can apply?

Anyone who feels they may be vulnerable or has a disability and lives in Birmingham.

What can I **expect** when I place a call for leading.

Careline will record your personal details, such as name, address, date of birth, doctor and any medical conditions you may have. Careline will also hold details of the names, addresses and contact numbers of any people who would be able to respond with a key in the event of an emergency.
